NOTES

"O" in a cell indicates available; "-" indicates not available; "-" indicates not applicable.

IDUs shown compatible with wired Premium Remote Controller (column E) are compatible with all LG wired controllers.

Some IDUs have only a control wire terminal block (for field-supplied control wire), while other IDUs have both a Molex connector (for LG control cable) and a control wire terminal block. See IDU engineering manual or installation manual for details.

1. Emergency Heat function is not available with Aux Heat Relay Kit
2. Accessory Wi-Fi module is applicable for product manufactured Jan 2019+
3. Accessory Wi-Fi module is applicable for product manufactured June 2019+
