Bernina Hickory

No matter what style or tone you're going for in your home, there's a Bernina color that will work perfectly for you—be it an on-trend light natural or a timeless, rich darker tone. This is one of our most popular hardwoods thanks to its ability to blend so easily into any environment. It's heavily hand-scraped and comes in a 5" plank that's guaranteed for 50 years. For those that want more rustic, grain-heavy lines, look at Bernina Hickory for texture and detail. For a cleaner, more polished look, try Bernina Maple.
