**SELECT A FINISH**

## Product overview —

Basco's Classic semi-frameless glass tub doors enhance the look of any bathroom with bypass shower panels free from aluminum framing. One panel includes a pull handle for one edge of the glass and the other panel has a towel bar that wraps around the glass.

- Bypass panels - both panels will slide in the enclosure
- Traditionally-shaped header
- Includes one exterior glass-mounted towel bar and one finger pull
- Fits tub opening of 56.06 to 60-inches wide
- Sliding door unit measures 57-inches tall
