

GENUINE BIG JOHN

OVERSIZED TOILET SEATS & TOILET SUPPORTS

NEW!

Big John Toilet Seat™

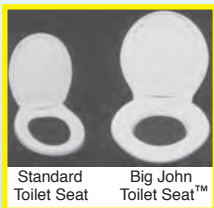

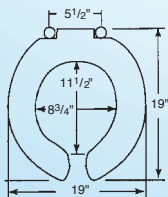

The Big John Toilet Seat™ is larger than any other toilet seat on the market. Stainless steel hinges provide unbreakable strength. Fits either a round or elongated toilet bowl. This seat has large stabilizing bumpers that grip the bowl and keep the seat from shifting. This exceptional seat is rated at over 1,200 pounds and meets ADA compliant regulation #4.23 ADAAG.

Big John Toilet Supports™

Wall-hung toilet bowls are only rated to support up to 300 lbs. With a Big John Toilet Support™, you increase the weight capacity to 1,000 lbs. Installs in minutes under most wall-mounted toilets, providing additional vertical support. Made from high impact ABS with the carriage and foot made of a chemical and stain resistant flexible PVC that forms to the contour of the toilet. The adjustment threaded rod is made of plated steel. Shown with the Big John Toilet Seat™ installed on the fixture.
