Part Number:

V/A KIT 159

### Description:

The V/A Kit 159 utilizes Bruck's versatile 39" V/A track system. The power feed canopy is designed to give users the flexibility to be mounted at an offset with the provided support, or can be centered on the track with a support on each side. (Additional support can be purchased.) This is available in bronze, chrome, and matte chrome plating.

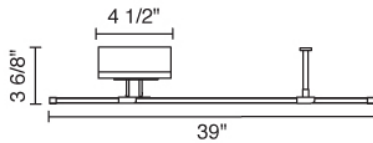

### Part Numbers:

<b>360159bz</b>	bronze
<b>360159ch</b>	chrome
<b>360159mc</b>	matte chrome
