Fixture Type:

Part Number:

LEDRA® 12C

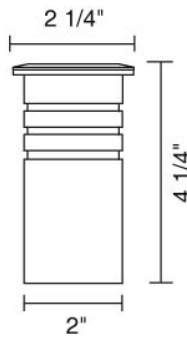

### Description:

The Ledra 12C is a recessed in ground fixture. Pressure fit mounting hardware allows for no screws to be visible. The small size, long life, lack of UV, and cool beam allows for a wide variety of applications. Suitable for wet locations. 18awg wire required to connect Ledra to remote driver, not included. For compatible drivers refer to our [driver section](#).
