

Mix2Match™ RepairKits™

CAL FLOR

Customizable Repair Solution

Our Mix2Match repair line was developed to be an easy customized repair solution for every hard surface in a home or workspace. These 4 kits allow you to repair many different types of damage on almost virtually any hard surface. Our fillers hold fast and will not break up or pop out of the repair. Each kit includes both simplified and detailed instructions for repairing damage, as well as tips on applying an easy grain or marbling effect.

All-inclusive kits with tools and sealant to complete any project - INCLUDING:

- Putty - Spatula - Measuring Board - Color Formula Chart
- Pigments - Stir Stick - Graining Stick - Detailed Instructions
- Lacquer - Mixing Bowl - Lacquer Brush

Great for DIY and professionals.

- Unlimited Color Combinations
- Solvent Free
- Wax-free
