Any implied warranty of merchantability or fitness is limited for consequential or incidental damages.

IN-HOME SERVICE: Casablanca offers In-Home Service where available as follows:

Within the first 120 days, Casablanca will send a field service representative to repair or replace the part or parts deemed to be defective from the factory. Most Service Center contracts cover up to a 30-mile radius from their place of business. Casablanca will not cover repairs caused by improper installation. After the 120-day period, the consumer will be charged for the service call and labor. Casablanca will pay for all defective parts through the duration of the parts warranty. NOTE: Service Centers are required to submit a Proof of Purchase with each warranty claim. The consumer must provide a copy of the Proof of Purchase at the time of service. If no in-home service is available, the consumer has the option of sending an in-warranty fan to Casablanca Fan Company in Memphis, TN, for repair. The fan must be packaged properly, shipped freight prepaid, and include a copy of the Proof of Purchase. The fan will be repaired and returned at no charge to the consumer, freight prepaid.
