

GISELLE CHANDELIER
9610

DIMENSIONS: 20h x 30dia.

MATERIAL: Wrought Iron/Crystal

FINISH: Cupertino

FREIGHT INFORMATION: Motor Freight (MF)

ITEM WT: 14

PKG WT: 34

FEATURES:

Like the parasol of a fine lady that has been inverted and filled with light, the Giselle Chandelier is festooned with crystal buds blossoming from climbing wrought iron vines. A rich Cupertino finish brings a bit of rustic chic to the eight-light fixture, balancing the daintiness of the pear-shaped crystals. There is a larger chandelier in this family of fixtures.

NUMBER OF LIGHTS: 8

MAXIMUM WATTAGE: 480

WATTAGE PER LIGHT: 60
