PORCEALTO™

COLORBODY™ PORCELAIN

*floor • wall • countertop*

Nothing is more inspiring than running warm sand through your fingers - and such organic beauty was the inspiration behind the Porcealto collection. With earthen textures, whether fine or coarse, solid or smooth - Porcealto never fails to provide an added depth to your space.

Photo features Porcelato in Azzurite 4 x 4 and Bianco Ghiaccio 12 x 12 on wall.  
Floor features Azzurite and Bianco Ghiaccio 12 x 12 and Urban Metals 2 x 12 Spiral Deco in Bronze.

## NOTES

Special care should be taken when grouting with dark pigmented colors. A grout release is recommended to prevent finely powdered pigments from lodging in the pores of the surface. Use of a latex modified thin-set is recommended for installation.

Since there are variations in all fired ceramic products, the tile and trim supplied for your particular installation may not match these samples. Final color selection should be made from actual tiles and trim and not from tile and trim samples or color reproductions. Manufactured in accordance with ANSI A137.1 standards.

For additional information refer to "Factors to Consider" at: [www.daltile.com/CommercialFactors](http://www.daltile.com/CommercialFactors)  
Water, oil, grease etc. create slippery conditions. Floor applications with exposure to these conditions require extra caution in product selection. Not for use on ramps.
