

23" Electric Firebox Insert

Reclaim the charm and warmth of your old useless fireplace, with this elegant and functional electric insert. Offering meticulously handcrafted logs along with gently glowing embers that mimic the real thing. Specifically designed to easily fit into many existing wood fireplace openings, this sophisticated electric insert brings new life to any room without the dangers of open flames, wood or propane.

120 V / 1,375 W / 4,695 BTU

DFI2309

Features

- 
Flame
 A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.
- 
LED Technology
 Lasts more than 35 times longer and uses 10 times less energy than incandescent light bulbs.
- 
Supplemental Heat
 Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!
- 
Thermostat
 Includes a thermostat controlled fan-forced heater to ensure consistent comfort.
- 
Remote
 Includes a convenient on/off remote for ease of use at your fingertips.
- 
Year-round Enjoyment
 Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.
- 
Economical
 Economical to operate. Costing only pennies per hour.*
- 
Green
 The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.
- 
Instant Ambiance
 Plugs into any standard household outlet.

* Based on national average residential electricity rate. Rates vary.
