Bathroom of Your Dreams™

VITREO SHOWER DOOR

Looking for a frameless shower door with heavy glass? VITREO may be the answer. VITREO's 3/8" tempered glass combined with wall mounted brackets for stationary glass panels and center door mounted on a sleek pivot mechanism offers a simple yet elegant option for your shower project. This door's flexible design allows for either right or left door opening. Combine the beautiful VITREO door with optional DreamLine™ shower tray and DreamLine™ shower column to complete the unique design of the Bathroom of Your Dreams™.

VITREO

- Pivot Door with full length magnetic door latch
- 3/8" (10mm) tempered clear glass
- Frameless glass design
- Wall mounted stationary glass bracket
- Reversible for "right" or "left" door opening
- This door is designed to install against finished walls. Precise rough opening width is required since this door has no width adjustment for out-of-plumb walls.
- Available in clear glass and chrome finish
- Two models are available:
 - 46 1/8" W x 76" H
 - 58 1/8" W x 76" H

VISIONS & INFINITY SHOWER & TUB DOORS

VISIONS SHOWER & TUB DOOR

The DreamLine™ Visions Shower and Tub door collection offers a simple, yet elegant door design for your bathroom. With center opening sliding doors, anodized aluminum framing in a choice of chrome, white or brushed nickel finish and option of clear or frosted glass – Visions doors offer a great solution for any bathroom remodeling project. Two models include a 58" high tub door and a 72" high shower door - both with a standard width of 60". The width may be further adjusted to 56" if required to fit a more narrow shower or tub opening. The smart design of the two sliding doors includes full length magnetic strips and fast wheel release for easy glass and aluminum bottom track cleaning.

- Two sliding doors
- Tempered 1/4" clear or frosted glass
- Anodized aluminum profiles and frames
- Adjustable between 56"-60"

INFINITY SHOWER & TUB DOOR

The DreamLine™ Infinity Shower and Tub door collection delivers a beautiful and functional door solution for your bathroom remodeling project. With a single large sliding door complemented by a fixed side door, the Infinity collection provides a wide shower or bath entry with a clean open glass look. Doors are available in white, chrome or brushed nickel finish for the aluminum frame and options of clear or frosted glass. Two models include a 58" high tub door and a 72" high shower door - both with a standard width of 60". The width may be further adjusted to 56" if required to fit a more narrow opening. The advanced design of each Infinity door allows for right or left door opening installation and includes fast release wheels for easy cleaning glass and aluminum track.

- Single sliding door design
- Reversible for "Left" or "Right" door opening
- Tempered 1/4" clear or frosted glass
- Anodized aluminum profiles and frames
- Adjustable between 56"-60"
