The exclusive factory applied DreamLine™ ClearGlass™ coating provides superior protection for shower glass. ClearGlass™ prevents mineral deposits, spotting, soap film and dirt from forming on the glass.

Add the amazing look of a heavy glass shower enclosure to your bathroom design project. The Enigma Collection shower doors and shower enclosures offer unique designs, flawless function and exceptional value. The 1/2" thick glass shower enclosure, with the exclusive ClearGlass™ protective coating, includes the beautiful door which slides effortlessly on oversized stainless steel wheels over the impressive stainless steel track bar. Thoughtful features like the anti-splash threshold and convenient handle provide additional elements of advanced design for this world-class shower enclosure. With flexibility of either left-wall or right-wall installation and options of polished or brushed finish for its all-stainless steel hardware, the Enigma Collection Shower Door or Shower Enclosure will be the centerpiece of the Bathroom of Your Dreams™.
