Specifications

Technical Details

Construction:

- Meticulously manufactured trim with a powder coated or anodized finish.
- Integral gimbal ring holds lamp and allows for 35° internal adjustability while keeping a flush look on the ceiling.
- Baffle helps reduce glare.

Installation: Clips securely mount trim into the housing and keeps ring flush with ceiling.

Compatible Housing: Compatible with 6" Integrated Line Voltage Housings.

Lamp: Compatible with Medium base (E26) PAR type.
