### **ATTENTION INSTALLER:**

#### 1) WARNING – THIS PRODUCT CONTAINS STRONG MAGNETS!

- This product contains small magnets. Small magnets are choking hazard and must be kept away from children. Swallowed magnets can stick together across intestines causing serious infections and death. Seek immediate medical attention if magnets are swallowed or inhaled. Children and adults should not ingest magnets or place magnets in any body orifice such as the ear, nose or mouth.
- Keep away from credit cards, computer hard drives, magnetic I.D. cards, and other magnetic media.
- Magnets may interfere with medical devices such as pacemakers. Consult your physician before use.
- Pinch hazard – magnets can jump out of your hands and snap together from a surprising distance before you realize what's happening.

2) This installation requires 5 minutes or longer.

3) Additional tools required: safety glasses, gloves, ruler and a pen or pencil.

### **PACKAGE INCLUDES:**

SinkMate Backing Strip (17" long)

Foil Tape (21" long)

e-dock Accessories (dependent on kit SKU)

### **CARE AND CLEANING INSTRUCTIONS:**

- Insure that all rubber bumpers are properly installed before using accessories.
  - Clean with mild soap and rinse thoroughly after each use.
  - Do NOT use scouring pads, abrasive cleaners, and harsh detergents.
  - Do NOT place in dishwasher or microwave.
  - Use adhesive tape to remove any dirt or debris from the magnet surface.
-

# INSTALLATION INSTRUCTIONS

## SinkMate™ Accessory Kits

1 Determine what side of the sink you would like to use your accessories on; usually about 2" below the sink deck.

2 Take a ruler or straight edge and trace a line on the underside of the sink where you would like the BOTTOM of the SinkMate backing strip to be placed, keeping the line level to the top of the sink.

3 Clean surface of any loose sound deadening, grease or dirt. Remove packaging from SinkMate backing strip. Peel back the double-sided tape as shown.

4 Using your marked line, place the backing strip in the preferred location on the back of the sink. Once in the correct location press firmly onto sink for 45 seconds, ensuring that the double-sided tape adheres to sink.

5 Using the accessories, test to make sure that SinkMate is in the preferred location, if not, repeat steps 1-4 with the new location.

6 Peel back the foil tape as shown, using care to not press two exposed surfaces onto each other.

7 Keeping the SinkMate backing strip centered, completely cover the SinkMate backing strip with foil tape as shown. Do NOT leave any portion of the SinkMate backing strip exposed.

8 Enjoy your new SinkMate and accessories!
