Mini Pendant

In the Hidalgo collection, an unmistakable Spanish influence meets modern sensibilities for an ideal complement to the transitional home. A bold cylinder of Opal Glass forms a strong vertical line and resembles a pillar candle. The warm glass is coupled with the warmth of the Sovereign Bronze finish. The Hidalgo mini pendant boasts a decidedly rugged charm that is softened by the decorative scroll details for a look that complements both contemporary and rustic decors. This mini pendant is an eye-catching accent that creates a soft glow for task lighting. It can be hung individually or arrayed in a group.
