Medium LED Pendant

The Bezel collection twinkles and shines like a fine piece of hand-crafted jewelry. The high-quality K9 crystals are bezeled into metal rims at the top and bottom of the polished chrome fixtures. These gems sparkle brightly, illuminated by the dimmable LED strips concealed in the geometric, angular arms. The brilliant fixtures dangle from gleaming chrome canopies on adjustable rods. The swivel on the canopy allows for installation a vaulted ceiling. This medium pendant creates a stunning focal point.

Fixture Finish:	Chrome	
Glass/Shade Finish:		
Materials:	Steel, Crystal	
Fixture Width:	25.75"	65.405cm
Fixture Height	18"	45.72cm
Fixture Extension
