Express your personal style with Windward, a classic from the Regency Series. Select from an array of timeless finish options with reversible blades to complement your interior spaces. Blades are included with every fan.

PRODUCT DETAILS:

- This item includes a 4.5" down rod. Various lengths are available to customize the installation height.
- Suitable for use in dry (indoor) locations as defined by NEC and CEC. Meets United States UL Underwriters Laboratories
- This item may be hung on a sloped ceiling
- Pull chain manual reverse, accessory controls available
- The Regency Series features a range of traditional ceiling fans designed to enhance a wide variety of spaces with ease.
- Each customizable blade offers two finish options; simply reverse the blade to select your preferred finish.
- Add a functional light kit to customize the look of the fan
- Fan mounts directly to canopy or with an included downrod for dual mount capability
