B3NCH™
PORTABLE. POWERFUL. PRECISE.

HEAVY-DUTY B3NCH™ 12" DUAL BEVEL SLIDING COMPOUND MITER SAW

The powerful JET® B3NCH 12" dual bevel compound miter saw has been designed to make easy work of your toughest jobs. The quick cam miter lock table makes it a breeze to change miter settings, the Innovative Green XACTA Laser™, the high performance laser system Exclusively from JET® that projects an accurate, high-visibility guide line for precision cuts, even outdoors, and a powerful 15A ball bearing motor with electric brake makes short work of your toughest jobs. In your shop or on the go, this compound miter saw has the power, precision, and performance you expect from JET®.

- A.** Innovative Green XACTA Laser™
- B.** Dual bevel capability
- C.** Quick cam miter lock conveniently adjusts and stops at 10 detents
- D.** Easy-slide fence Arbor Lock

PORTABLE

- Multiple rubber-grip carrying handles allow for convenient portability
- Lightweight die cast aluminum design for easy transport
- Integrated cord wrap makes transporting easy and ensures workshop safety
- Versatile base can mount to a stand or workbench

POWERFUL

- Heavy-Duty 15 Amp motor for various cutting applications
- Die cast aluminum table for long-lasting durability
- Holddown clamp ensures an accurate cut by stabilizing the workpiece
- Oversized, ergonomic knobs provide ease of use and maximum control

PRECISE

- Innovative Green XACTA Laser™ provides high visibility for precision cutting
- Up-front controls for safety and ease of use
- Dual bevel capability allows you to angle and stop at 0°, 33.9°, and 45° left and right
- Quick cam miter lock conveniently adjusts and stops at 10 detents: 0°, 15°, 22.5°, 31.6°, 45° left and right and 60° right
- Ergonomic, D-shaped, over-molded handle for maximum control during cutting applications
- Easy-slide fence extends further to support the workpiece on both sides
