

Karran quartz sinks are manufactured from durable quartz composite material that makes them incredibly tough and resilient to even the toughest daily kitchen tasks. They contain 80% natural quartz crystals and 20% high performance acrylic resins. These materials provide high scratch, stain, chip and heat resistance. This stylish undermount design is available in a selection of 6 elegant color choices.

Series:	Quartz QU Series
Material:	80% quartz / 20% acrylic resin
Installation Type:	Undermount
