

### Product Information

Applicable product:	
B90 Slidebar kit	K-98362

### Installation Notes

Install this product according to the installation guide.

Mount the slidebar to stud framing or install backing support.

**For tile or other solid finish surfaces:** Predrill mounting holes through surface material only; do not drill into the stud.

**For drywall surface:** No predrill is required.

**NOTE:** The mounting brackets can be adjusted to align with existing holes for retrofit installations.
