

vantra flush mount

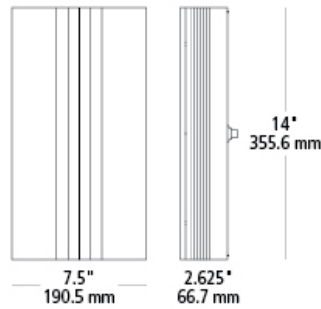

DESCRIPTION

Modern technology meets architectural form in this sophisticated and versatile ceiling light fixture. Riffing on the concept of an elongated 'V', the sleek aluminum body of the Vantra ceiling light from LBL Lighting also serves as the heat sink for the twin LED light guide panels. These visually floating light panels create a unique sense of wonder and offer a choice of outputs including 100% forward or direct/indirect light distribution Ceiling or wall mount. When mounted on the wall, mounts vertically or horizontally. Includes (1) 28 watt 2000 lumen 80 CRI 3000K LED module. Dimmable with a low-voltage electronic dimmer. 120v or 277v. ADA compliant.

WEIGHT
