

adara pendant

DESCRIPTION

Hints of inspiration from African folk art can be seen in the hypnotic texture and slender shape of this unique pendant light. A ribbed surface created by molding the glass combines with a frosted texture to gently diffuse the light created by the Adara pendant light from LBL Lighting. Includes (1) 50 watt low-voltage GY6.35 base Xenon bi-pin lamp or (1) SORAA® replaceable 8 watt 500 lumen 80 CRI 3000K LED module and 6' of field-cutttable suspension cable. For use with 24 volt transformer, add suffix '-24' to item number. (LED lamp option is not compatible with 24 volt transformers.)
