CONVENIENCE & VERSATILITY

Is it possible for a dryer to do more than just dry your clothes? With LG, it is. When you're late to the party and your favorite dress isn't looking its best, turn to your LG SteamFresh™ cycle to refresh clothes and reduce wrinkles in just 20 minutes. Add the durable stainless steel of LG's NeveRust™ drum and the convenient design of the front control panel, and you can count on versatile drying that has as much style as you do.

SPECIFICATIONS

- 7.3 cu. ft. Ultra Large Capacity with Aluminized Alloy Steel Drum
- 12 Drying Programs
- 5 Temperature Settings

STYLISH DESIGN

- Front Electronic Control Panel with LED Display
- Touch Buttons
- Chrome Edged Diamond Glass Door

- LoDecibel™ Quiet Operation
- SmartDiagnosis™
- 3 Minute Installation Check
- FlowSense™ Duct Clogging Indicator
- Wrinkle Care Option
- Anti-Bacterial Cycle
- Rack Dry Option
- Damp Dry Signal

Steam

7.3 cu ft Ultra Large Capacity

Do laundry a little less often. With **7.3 cubic feet of capacity**, this dryer handles really large loads, saving you time and energy.

Steam Technology

There's no clean like a steam clean. Our **Steam Technology** gently but powerfully penetrates fabrics to virtually eliminate dirt, odors and wrinkles.

Front Control Design

LG puts a modern spin on the traditional top load design. By moving the control panel from the back to the front, the buttons and LED display are easier to read and use. This simple change makes for a more intuitive and functional design and a look that is unlike anything you've ever seen.
