

## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination for outdoor use in residential and light commercial applications. Ideal for driveways, walkways, and play areas creating an inviting exterior space as well as providing safety and security.

### ATTRIBUTES

Bring old-world elegance outdoors with the Kingsly post top. Available in a black finish with frosted seeded glass diffuser or antique bronze with amber glass diffuser, both have a dusk-to-dawn photocell for added energy efficiency. Matching finish pole top fitter is designed to fit a 3" diameter pole. The Kingsly post top provides a wide spread even illumination for safety and security. Designed for outdoor use only. Should not be used in areas with limited ventilation or high ambient temperatures.

Includes (1) 26W compact full spiral tube 4-pin 2700K fluorescent lamp for energy efficiency, superior color rendering and long life.

Standard with residential-grade electronic ballast (120 volt, 60Hz) ensures no flickering and quiet operation. Starts instantly down to 0°F (-18°C).

Use with non-dimmable switches only.

All mounting hardware included.

### LISTING

CUL listed to US and Canadian safety standards and suitable for wet locations. ENERGY STAR® qualified.

### WARRANTY

Guaranteed for two years against mechanical defects in manufacture.
