Features

- Pivoting entry door with 6" of throw adjustment
- 1/4" thick tempered textured rain safety glass
- Semi-framed design
- H2OFF™ clean glass technology
- Reversible entry point
- Up to 1/2" frame adjustment

H2OFF™ Technology

H2OFF™ is a liquid polymer applied to the glass that is hydrophobic (repels water) and prevents the buildup of soap scum and hard water deposits.

H2OFF™ has a 10 year warranty.
