Important Ordering and Installation Information

- Before ordering or installing, consider access to equipment.
- Must specify left- or right-hand drain when ordering.
- Tubs equipped with hydrotherapy components have a removable front panel.
- Use proper bedding compound to fully level and support the tub.
- Tubs equipped with an air system or factory installed pre-leveled foam base are designed to install directly onto a flat, level subfloor.
- Location of all therapy components is predetermined and cannot be changed.
- Options listed cannot be combined with Designer Collection options.
