Activate your warranty by registering your Native Trails product at nativetrailshome.com/register. For warranty claims, please contact our warranty department at warranty@nativetrailshome.com. Proof of purchase from authorized dealer is required. Warranties are non-transferable and do not apply to products purchased for display purposes or sold "as is". Warranty is valid for residential use only.

The Native Trails product warranty gives the purchaser specific legal rights; other rights will vary from state to state. Refer to the care instructions for proper maintenance of products; improper care or modifications of products will void warranty.

In no event shall Native Trails be liable for any damage to or caused by the products during or after installation. Native Trails is not responsible for labor, installation charges or any other expenses associated with the defective product. Our sole responsibility is defective product replacement, exchange, or repair materials.

Variations in dimensions, textures and finishes are inherent in our handcrafted products and are not considered defects. Gloss reduction, scratching, chipping, denting, staining, and acid or alkaline etching of the finish over time due to use, cleaning practices or water or atmospheric conditions, are not manufacturing defects but are indicative of normal aging. **Finishes and sealers are not covered by our product warranties**, unless otherwise stated as in the case of nickel finish sinks and bathtubs. Native Trails is not liable for any damages resulting from actions or poor maintenance by the customer.
