

Optional Designer Grilles for Ceiling Mounted Ventilation Fans

Panasonic now offers optional designer grilles for select Whisper series models to complement its innovative, advanced ventilation fans. Finish off your Panasonic ventilation fan system with an optional designer grille, which lets you customize your ventilation fan to blend in or enhance your home's décor.

- Model FV-GL3TDA style grille is subtle, unobtrusive and blends in for a natural look
- Model FV-GL3TDB grille is finely detailed with robust proportions
- Easy and affordable to change
- Change your grille to fit your room decor without compromising the performance and quality of the unit

RoHS Approved

Restriction of Hazardous Substances Directive (RoHS) is often referred to as the lead-free directive, but it restricts the use of the following six substances: Lead, Mercury, Cadmium, Hexavalent chromium [CR(VI)], Polybrominated biphenyls (PBB*), Polybrominated diphenyl ether (PBDE*)

*PBB and PBDE are flame retardants used in some plastics.
