North Park

Popular from turn-of-the-century through the 1930's, this artistic style continues to see renewed popularity due to its clean, simple and honest designs. North Park's Brushed Nickel four-light down chandelier features unique twin arching linear arms which support square etched glass to provide a softly diffused lighting effect. The North Park Collection creates a modern interpretation of two blended styles: Craftsman and Mission.

Category: Chandeliers

Finish: Brushed Nickel (plated)

Construction: Steel construction
