

# AEGEAN 24" ROUND FIRE PIT TABLE

The Aegean 24" round propane fire pit has a compact footprint that works well in limited spaces, such as smaller backyards or patios. Made of durable steel with a lightly textured finish, there is room within the base of this modern fire table to conceal a 20 lb propane tank. This means you can maintain a clean, sleek look without an exposed gas source or hose. When not in use, transform this multi-functional fire pit into a useful coffee or accent table with the included matching burner lid.
