Sand castles, collecting sea shells and long walks on empty beaches...these are the images brought to mind with the Cottage Retreat collection of vanities and accessory pieces. Touching lightly on Victorian design elements, the Cottage Retreat cabinets celebrate the history and appeal of the furnishings of our childhood and will complement the interiors of homes today. Light distressing and a variety of finish effects allow these cabinets to seamlessly accent your home and remind you -if ever so briefly-of pleasant conversations, warm breezes, and lingering sunsets.
