23 cu. ft. French Door Refrigerator with External Water & Ice Dispenser

Twin Cooling Plus System®:

Delivers superior food preservation results usually only found in advanced commercial-grade cooling systems. Twin Cooling Plus System®, the next generation of Twin Cooling® technology, uses two evaporators with only one compressor to independently control temperature in the refrigerator and freezer compartments, maintaining optimal humidity levels and preventing odor transfers between compartments.

Surround Air Flow:

Surround Air Flow provides even cooling throughout the refrigerator to maintain optimal temperatures to keep food fresh.

Power Freeze and Power Cool Options:

Power Freeze and Power Cool Options can be used when foods need to be brought down to a lower temperature quickly or when the temperature inside the refrigerator or freezer compartment needs to be cooled due to repeated door openings.

Cool Select Pantry™:

Cool Select Pantry™ provides additional temperature control for your food storage needs with Quick Cool, Thaw and Soft Freeze, Chill Mode, and Cool Mode options.

External Digital Display and Control:

Controlling the refrigerator is easy with the external digital display. It shows the inside temperatures, when to change your filter and also controls the ice and water dispenser.

Water Filter:

Samsung's water dispenser provides filtered water without sacrificing your interior space. Ice cubes are conveniently located in the freezer.

Door Alarm:

Prevents food spoilage by alerting you if the freezer or refrigerator door has been accidentally left open.

Refrigerator: 15.9 cu. ft.

- Premium External Filtered Water and Ice Dispenser:
 - Crushed or Cubed Ice
- Surround Air Flow
- Cool Select Pantry™ with Temperature Control
- 2 Humidity Controlled Crispers
- 5 Tempered Glass Shelves

French Door design provides easy access to fresh food and flexible storage options.

Twin Cooling Plus System® uses two evaporators with only one compressor to independently control the temperature in the refrigerator and freezer.

Cool Select Pantry™ controls your food storage needs with Quick Cool, Thaw and Soft Freeze, Chill Mode and Cool Mode options.

EZ-Open Handle™ lifts the handle to open the freezer with no force needed.

Design and specifications are subject to change without notice. Non-metric weights and measurements are approximate.
