26 cu. ft. Side by Side Refrigerator

Power Freeze and Power Cool Options:

Power Freeze and Power Cool Options can be used when foods need to be brought down to a lower temperature quickly or when the temperature inside the refrigerator or freezer compartment needs to be cooled due to repeated door openings.

External LED Display and Control:

Controlling the refrigerator is easy with the external blue LED display. It shows the inside temperatures, when to change your filter and also controls the ice and water dispenser.

Door Alarm:

Prevents food spoilage by alerting you if the freezer or refrigerator door has been accidentally left open.

Water Filter:

Samsung's external dispenser provides filtered ice and water without sacrificing your interior space.

Refrigerator: 16.2 cu. ft.

- 2 Clear Crispers
- 4 Tempered Glass Shelves

Side by Side configuration provides easy access to food in both refrigerator and freezer compartments.

Samsung's new water filter is now placed in the right bottom corner, offering more top shelf space. Its new location also makes changing filters an easy job.

Quick and easy access to filtered water and cubed/crushed ice at your fingertips with the external dispenser.

LED lighting emits less heat than conventional bulb lighting, affecting less damage to the temperature management.

Actual color may vary. Design, specifications, and color availability are subject to change without notice. Non-metric weights and measurements are approximate.
