Collection: LED Disk Lighting Kits

Our LED Disk Lighting Kits offer two and three light, all-in-one packages for added convenience. Each package includes a plug-in 12V 30 watt zero load transformer, a LED Disk Connection Hub and all necessary mounting components. Up to six LED Disk Lights can be powered from one transformer and connection hub.

Performance 170 lumens, 4 watts, 42 lumens per watt, add additional 1 - 1.5 for power supply unit.

The look, feel and performance of halogen/xenon pucks while reducing energy and operating cost by up to 80%

Delivers light output of 170 lumens per disk. Total light output of 340 lumens, 9.5 watt power consumption

Each LED disk contains 3 integrated multi-LED Nichia LED chip packages

Long 40,000 hours life - last 20X's longer than halogen for maintenance free operation

Includes white, plug-in 12VAC 30W, zero load, electronic transformer with built in on/off switch and 8' output cord connects directly to a disk or mounting hub

Configurable and linkable for easier multiple unit installations. Daisy chain up to 6 pucks from one to another or hub and spoke mount with included mounting hub

Color accurate illumination 85CRI, 3000K

Low profile, aluminum housing for cooler operation and maximum LED life

Available in 3 painted finishes; white, black, bronze and (plated) tinted aluminum

Surface or recessed mounting

Each disk includes 36" lead wire for connection to additional LED
disks or included mounting hub

UPC #:785652153143

Finish: White (15)
