Features

In this "artisan-crafted" style the scrape combined with gentle chatter, creates a versatile product that has refined, rustic appeal. Subtle birch grain adds to the casual charm, as does the matte finish, which gives a natural, oil-rubbed appearance—a hot designer look! Made with a 6-ply plywood core, planks have micro-beveled ends and edges and come in random lengths—13" to 47 1/4".

Trim Pieces length: 78" (*Overlap Reducer and Overlap Stairnose are designed for floating installations only. These items are non-stocking - but are available through a quick-ship program. Delivery should take approximately 2 to 3 weeks.)
