

Important: Always disconnect the power before installing or replacing bulb and before cleaning or other maintenance.

Assembly & Installation Instructions

1. Place the glass on its side on a smooth, flat surface.
2. Install a 60W medium base bulb. (not included).
3. Gently squeeze in on the arms until they fit inside the bottom of the glass, being careful not to press on the bulb. Push the socket up until the ends of the arms hook into the groove on the glass. (Fig.1)
4. Stand the glass upright and place the shade over the top of the glass so that the shade sits on the glass rib.
5. Plug in the cord and the dimmer switch is located on cord.

CARE INSTRUCTIONS

- Dusting – Use a clean, dry cloth.
