Technical Information

Mod	del	door maximum width	door maximum height
1	30100 30100	56-5/8" (143.8 cm)	70-1/2" (179.1 cm)

Installation Notes

Install this product according to the installation guide.

Size the drain cutout to fit the drain assembly that will be used.

Double studding is recommended for pivot shower door installations.

Studs should be positioned as shown.

Both tile and curve wall surrounds share the same dimensions.
