

LOW - VOLTAGE P E N D A N T S

Folium Pendant

DESCRIPTION

Inspired by nature, the die-cast aluminum leaf-like silhouette quickly gives way to an ultra-modern aesthetic created by its inward firing LED light source and asymmetrical hollow center. Includes 5.8 watt, 240 net lumen, 3000K LED assembly and six feet of field-cuttable suspension cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
