700T_MULP_ | 1.4

**TECH LIGHTING**®

**PENDANTS**

### GENERAL PRODUCT INFORMATION:

This product is suitable for damp locations.

This product can be dimmed with a standard incandescent dimmer.
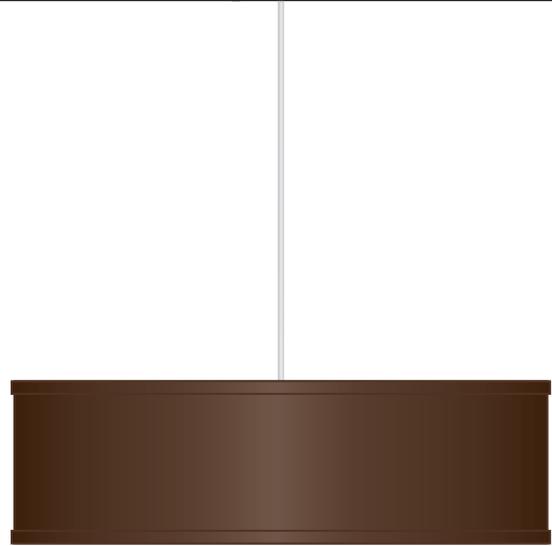

Attach the shade to the socket assembly before installing the canopy.

## Install the Shade

**1A**

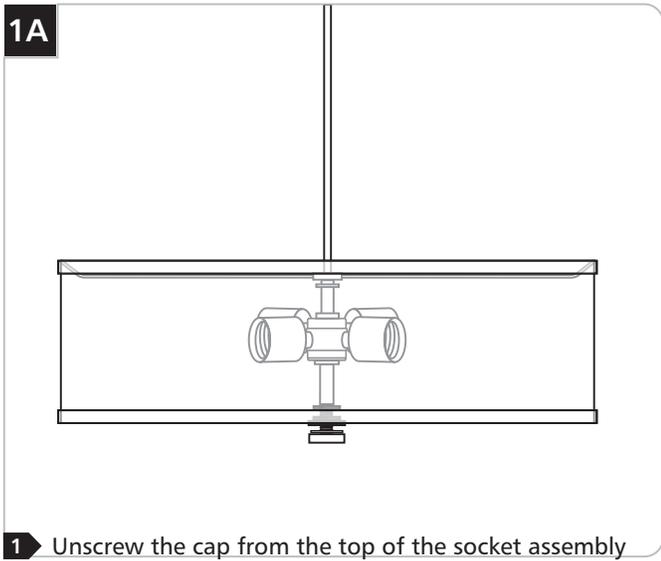

**1** ▶ Unscrew the cap from the top of the socket assembly and slide the cap nut off the cable.

**2** ▶ Feed the cable through the center of the shade support until it rests on the end of the socket assembly.

**3** ▶ Feed the cable through the center of the cap and screw the cap back onto the socket assembly.

## Install the Lamps

**2A**

LAMP

**1**
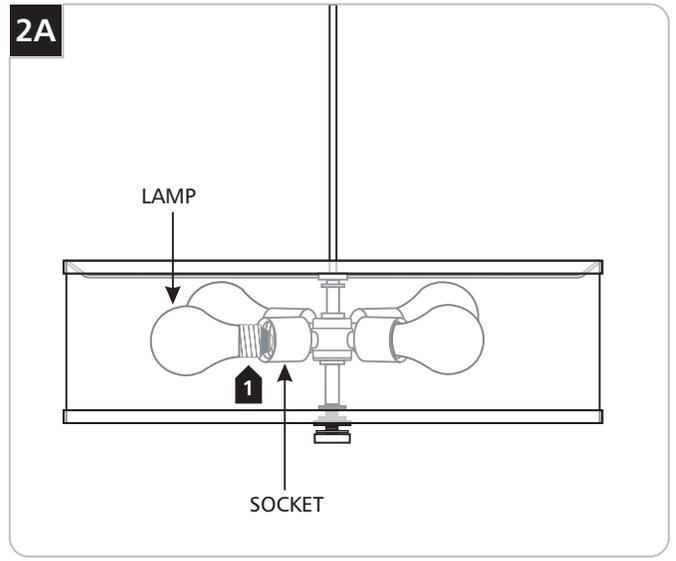

SOCKET
