

WALL COLLECTION

GENERAL PRODUCT INFORMATION:

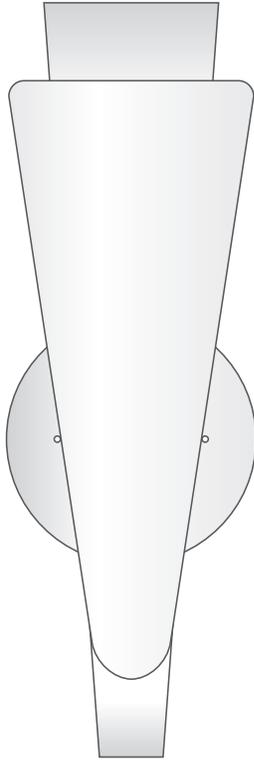

This product is suitable for damp locations.

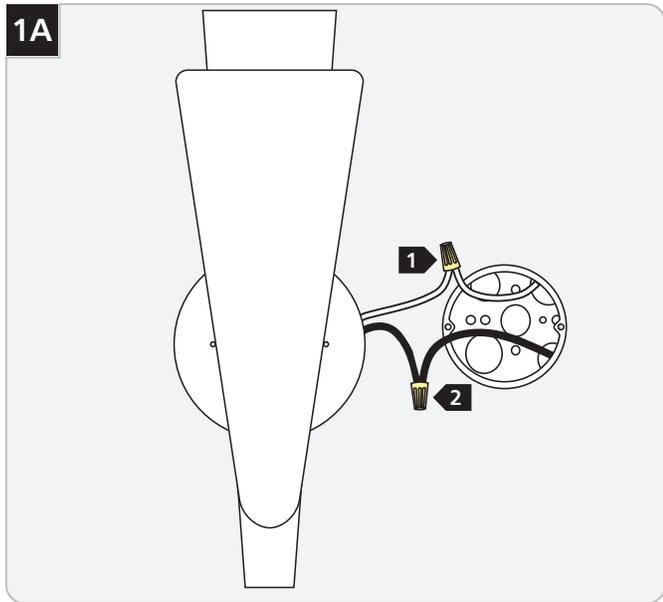

This product is dimmable with a standard incandescent dimmer.

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.

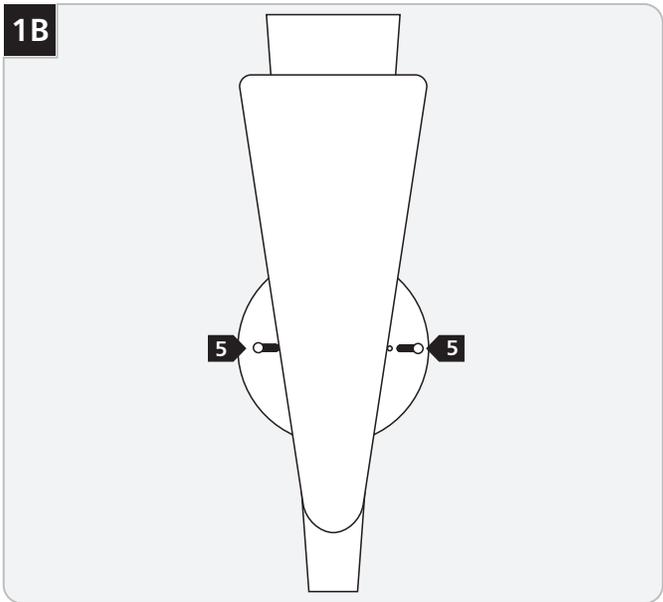

CAUTION — RISK OF FIRE
 This product requires installation by a qualified electrician. Before installing be sure to read all instructions and DISCONNECT POWER TO THE ELECTRICAL BOX.

Mount the Sconce to the Electrical Box

- 1** Connect the neutral power line wire to the white fixture wire with a wire nut.
- 2** Connect the hot power line wire to the black fixture wire with a wire nut.
- 3** Attach a suitable ground according to local electrical codes.

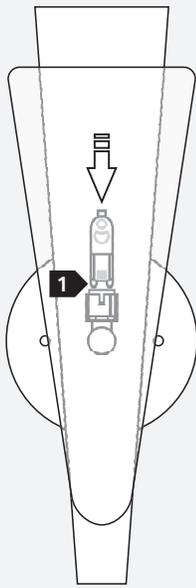

NOTE: Use the provided universal round crossbar when the canopy holes do not line up with the electrical box holes.

- 4** Line up two mounting plate slots with the two electrical box holes.
- 5** Level the mounting plate and secure it to the electrical box with the two #8-32 decorative screws provided.

Install the Lamp

2A

Use **MAX** 120 Volt, **60 Watt** Type T4, G9 Base Bi-Pin Halogen Lamp.

1 Push the lamp base into the socket.
