

BATH COLLECTION

Versa Bath

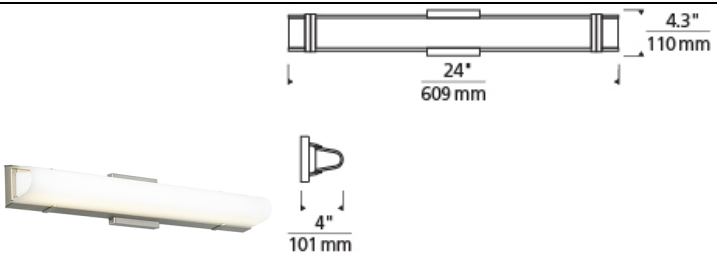

DESCRIPTION

Modern and versatile with a parabola-shaped expanse of glass resulting in an original and fresh silhouette. Order alone for a cleaner look or customize with a set of fashion-inspired decorative bands to add a personalized touch. Choose from eight band designs ranging from sleek chrome to rich leather. Bands are held in place with high-strength magnets for easy removal. May be mounted horizontally or vertically. Fluorescent includes 24 watt T5 high output linear fluorescent lamp. LED includes 20 watt, 1000 net lumen, 3000K LED module. LED version dimmable with low-voltage electronic dimmer.
