

UTTERMOST

CRISTAL DE LISBON, 9+2 LT CHANDELIER

ITEM #21094

Rows of clear crystal beads fill the channels of the narrow ribs and bouquets of the same cut crystals spill over the edges, their rich unique color catching the light in both the prisms and in the beading. A deep bronze metal finish with slight golden details completes this fixture. Supplied with 20' wire and 7' chain for adjustable installation.
