225M01BX SPIKOTIC

SELLING POINTS : Hand-Forged Recycled Steel.

CLASSIFICATION : The Vegas Strip is an iconic destination, one that many locals scoff they never visit. We don't shy from the strip because it houses some of the loudest displays of randomness we have ever seen—including one gorgeous set of fountains. Spikotic takes the delicate beauty of a fountain and gives it an edge. Hand forged of recycled steel, it is at once airy and bold, a true design attraction—minus the crowds.
