

# MAVERICK COLLECTION

MONTE  CARLO  
CEILING FAN COMPANY

## DESIGN & PERFORMANCE

With a seamless blend of metallic and natural wood tones, the Monte Carlo Maverick Ceiling Fan makes a powerful statement in any indoor or outdoor space. Maverick's 3-blade design is ultra-modern and sleek with hand-carved Balsa Wood Blades that are as beautiful as they are functional.

Featuring quiet and energy-efficient DC motors, Maverick fans also deliver some of the most impressive airflow stats in the industry. Available in five sizes ranging from 52" to 99," the larger scale Maverick fans are perfect for industrial spaces. For a high quality, design-driven ceiling fan, look no further than Maverick.
