Description

This stylish indoor flush mount ceiling fixture features a stunning white glass bowl and can also conveniently install as a wall mount. Save big with this energy-efficient fluorescent light fixture. Energy-saving operation requires substantially less electricity to maintain, passing down cost-cutting savings to you. High-quality polished brass provides long-lasting color and an attractive gleam. Hard surface provides top quality protection against scratches. Polished to an immaculately smooth surface by skilled craftsmen. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection.
