Because Lighting Speaks Volumes

Description

Introducing this elegant indoor flush mount ceiling fixture, a stylish, contemporary piece with a chic, graceful design. Encased in simple, sleek white glass. White glass diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Glass thickness and weightiness ensures long-lasting durability. Attractive thin triplet rods accent this piece, adding subtle flair to an elegant, minimal frame. Feel confident in your choice of simple elegance. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Complements stainless-steel appliances, dining rooms, kitchens, and many other indoor areas.
