Description

This sleek, modern indoor or outdoor (suitable for damp or dry locations only) white aluminum cylinder downrod mini pendant features a professional look and formed and welded, all-aluminum construction. Feel at ease with aluminum's corrosion-resistance, high resilience, lasting quality, and inability to rust like steel. Powder-coated paint base finish provides phenomenal long-lasting color and exceptional corrosion/scratch resistance. Feel confident in your choice of elegant simplicity. Delight in clean, minimal, and solid color design that blends in seamlessly with surroundings and existing décor. Offers remarkable versatility for exterior and interior design. A stunning piece that imparts a fresh, rejuvenating, and open atmosphere both outside and within. Change up your exterior spaces with this look, or be unique—bring the outdoor look indoors. Open/uncovered bottom helps prevent accumulation of dust or pests. Perfect complement to indoor or outdoor spaces (suitable for damp or dry locations only). Compact light fits easily in small spaces. Flawlessly and evenly finished in solid white. Modernize your spaces with this smart, bold piece.
