Product Details

Description:	LED undercabinet light bar for cabinets, shelves and bookcases applications
Materials:	Extruded aluminum housing with abrasion resistant powder paint finish. Acrylic lens. On-off switch. Mounting hardware
Driver:	Three Integral line voltage LED drivers Input voltage: 100 ~ 240 V AC Input current: 0.1~0.2A Output voltage: 13.2V DC Output current: constant 350mA DC
Lamping:	10× 1W 3000K Seoul LED lamp included Light output up to 53 lm/W
Accessories	MEB = Connection box for easy connection between fixtures
Listing:	UL & CUL Listed

Specification Features

- Abrasion Resistant Finish Options:
BB = Bronze
SN = Satin Nickel
WT = White
- LED Junction temperature below 70 degree Celsius
- LED lamp life up to 50,000 hours
- CRI of 93
- Integral 350mA DC constant current LED line voltage driver
- Mounting plate and hanging hook for easy and secure fixture installation
- 5 year W.A.C Lighting product warranty

W.A.C. Lighting reserves the right to modify the design of our products as part of the company's continuous improvement program.
