

ActivTouch® A Customized Shower Experience

With the ActivTouch handshower, you can choose up to nine different spray options. Plus, our WaterSense®-labeled models provide up to 20% water savings.*

- Integrated Spray-Selection Buttons provide simple, one-handed operation.
- The Pause feature slows water to a trickle to conserve water while doing tasks, such as lathering up or shaving your legs.
- Touch-Clean® soft, rubber spray holes allow you to easily wipe away calcium and lime build-up with the touch of a finger.
- 60"-82" stretchable stainless steel hose option for maximum flexibility.

*Water savings calculated at 2.0 gpm vs. industry standard ASME A112.18.1/CSA.B125.1 of 2.5 gpm.
